Compatibility Test Report

1. Report Details

Report Number: FPC261167

Date of Report: 15/09/2026

2. Product Details

Product Name: Foot cream

Batch No. /Lot No.: BO261649

Manufacturing Date: 09/2026

Expiry Date (if applicable): 08/2028

3. Packaging / Material Details

Container / Material Tested: Tube

Supplier / Vendor: Printotech

Material Type: LDPE, LLDPE, SDPE

Closure / Cap Type: White flip top cap

4. Test Objective

To evaluate the compatibility of the product with the packaging material under defined conditions.

5. Test Method / Procedure

Reference Standard: In house SOP/ICH Guidelines

Storage Conditions: 40°C/ 75% RH

Test Duration: 6 Months

Parameters Checked:

- - Physical appearance (color, clarity, phase separation, leakage)
- - pH
- - Viscosity
- - Odor
- - Container integrity

- - Label/print durability
- - Other product-specific parameters

6. Observations & Results

Time Interval	Stability Condition	Product Appearance	Container Condition	Label Condition	pH/Viscosity	Remarks	Checked by	Approved by
Initial	40°C/75% RH	Semi-solid thick mass	Intact	Intact	5.15, 115000 cps	Complies		
1 Month	40°C/75% RH	Semi-solid thick mass	Intact	Intact	5.18, 112600 cps	Complies		
3 Months	40°C/75% RH							
6 Months	40°C/75% RH							

7. Conclusion

Summarize whether the product is compatible with the tested packaging material under the given conditions. State if it is suitable / not suitable for use.
